1. MESSAGE FROM THE CHAIRMAN

Education institutions are lighthouses for generations. Its only and only from here nations seek ladders to the doors of progress and prosperity. Its development is pivotal in molding the minds and thus setting landmarks for any civilization.

Our province Khyber Pakhtunkhwa in general, merged districts and Swat in particular have seen enough of anarchic history when schooling of our children was not less than nightmare. We were, for sure, poised in the most critical moment of either getting back into the prehistoric Stone Age by stopping our children to go for learning or to keep the light of hope burning despite all disparities. Our people chose to look ahead and forget the back. What can be more pleasant blessing than to see a day we are celebrating the success of our children.

Swat is a heavenly piece of land. Since I joined as chairman, it was a dream for me to deliver to it a system of examination and assessment where the deserving get their reward without any inclination to subjectivity. By the grace of Almighty Allah I found a team of dedicated officers and selfless officials who made it all possible. Controller of Examination BISE, Swat, Computer Section and all staff of BISE, Swat worked enviably day and night to bring to light the present Gazette in your hand. I am all sure no stone has been left unturned in ensuring transparency and objectivity of the entire system from conduct to marking and declaration of result this very day.

Much has been done however, more has yet to be delivered. I am rightly optimist in hoping to see BISE Swat stands excellent among all brother boards of Khyber Pakhtunkhwa by making further trendsetting experiments in the system of examination and assessment.

PROF. TASBIHULLAH

2. MESSAGE OF THE CONTROLLER OF EXAMINATIONS.

I am extremely gratified and thankful to Almighty Allah who bestowed me with the potential to successfully conduct the HSSC-I examination 2026 and finally announce the results throughout the contingent districts of Swat, Shangla and Buner.

I feel honored to recognize the achievements of our students. Firstly, I would like to extend my heartfelt congratulations to all the candidates who have excelled in their exams, especially the position holders who have demonstrated exceptional academic process. To those who may not have achieved their desired results, I urge them not to be disheartened. Instead, use this as an opportunity to learn and grow, and work towards improving your performance in future.

BISE, Saidu Sharif Swat prides itself on maintaining a transparent and merit-based system. We continuously strive for excellence and qualitative improvement in the examination system and services through the use of technology. We are endeavoring to ensure that all our processes, from examination to result compilation are conducted with utmost precision and fairness. The marking of scripts was carried out by well-qualified and well-trained teachers whose expertise is demonstrated by the accuracy of evaluation of answer scripts. The results of Inter Board Cross-Validation of answer scripts of top 25 candidates is a testament to our commitment to fairness and integrity.

This year SLO-based examination was fully implemented at HSSC level. While acknowledging that our examination system does not yet meet international standards, I firmly believe that with the support of parents, teachers and students, we can achieve the desired improvements. Together, we can uplift the standard of education and foster an environment that nurtures academic excellence and personal growth.

I extend my sincere thanks to all parents, principals, heads of schools and educational institutes for their unwavering support. It is crucial that we collectively discourage malpractices in examinations as these undermine the integrity of our educational system. Together, let us continue to work towards a brighter and more prosperous future of our students.
